## **REP. ANDREWS LAUNCHES DISTRICT-WIDE OFFICE HOURS AND NEW WEBSITE**

2<sup>nd</sup> Franklin District State Representative, Denise Andrews has announced that she will hold evening office hours in each of the six towns of the district. The entire schedule of district meetings can be found on her newly re-launched website under constituent services. The first round of meetings begin with Greenfield Library on February 22<sup>nd</sup>, Athol Public Library on March 1<sup>st</sup>, Warwick Town Hall on March 15<sup>th</sup>, Orange Armory on March 22<sup>nd</sup>, Gill Town Hall on March 28<sup>th</sup> and Erving Town Hall on March 29<sup>th</sup>.

The new website and district office hours are just one piece of Denise's plan to foster greater connections to residents of the communities she serves. There are many important issues facing our families, businesses, local officials and service providers – driving to the State House to educate your elected official is simply not practical. If a constituent has a pressing issue s/he is asked to contact Denise's office for assistance by phone or to schedule an individual appointment, rather than waiting for the next district meeting. Denise's legislative aide can be reached by phone at (617) 722-2425 x6306 or by email at Brian.Eno@mahouse.gov.

The new Constituent Services page of Rep. Andrews' website contains many links to state websites to seek assistance with many government services, as well as contact information for many local agencies that provide help and advocacy to residents seeking assistance. Denise encourages constituents to visit her website regularly to find information on upcoming community events and events going on at the State House.
